SUMMARY

I have four years of experience in operations and administration across the food service and industrial sectors, supported by a Bachelor's Degree in Business Administration (Hons). I am interested in hands-on operational roles where I can contribute to the smooth running of daily operations and ensure compliance with company procedures and standards. Throughout my career, I have developed experience in documentation, inventory control, customer service, coordination, and handling time-sensitive operational issues. I enjoy working in fast-paced environments, solving problems, and continuously learning new skills. I am looking for an opportunity where I can grow with the company, contribute to a collaborative team, and continue developing my professional capabilities over the long term.
